

Iron Range Hockey Association

P. O. Box 105
NEGAUNEE, MICHIGAN
49866

www.ironrangehockey.com

Go to our website to find:

1. The most up to date “**Complete Ice Schedule**”. Includes all games, home and away, and practices.
2. A more simplified “**Game Schedule**” that shows only home games. It also lists the **REFEREE** schedule, and the **TIMEKEEPERS** schedule, along with every game.
3. **News and Events**, where you can find out important events, news flashes, like when fundraisers are due, Jobs at IRHA that need to be filled, and much more.
4. **Tournament information**. Find a complete list of our home tournaments, e-mail the person in charge, and find lists of local hotels with rooms for teams coming to our area.
5. **Links Page**, find direct links to USA Hockey, MAHA, many other associations, and places to look for away tournaments.
6. **Team Pages**, upload one picture and post important team information on your page. These pages will not be set up until teams are picked, and a designated team member has volunteered to host their page. Contact Mary LaBelle to get set up and get a password. These pages can also contain a link to a kidssportnet.com or a eteamz.active.com website for those teams that want a more expanded personal site for their team. As with all internet activity, please do not put last names of children on any sites. Also, in the name of good sportsmanship, please refrain from putting stats on any websites, especially at the younger level. Our kids know who score the goals, and bringing more attention to the superstars takes away from the philosophy that USA Hockey has for our younger players.
7. **Meet the Board**. Find out who is on the Board, who is in charge of what, and find out how You can become a board member.
8. **Contact Page**. E-mail Board members and Heads of Coaching, Refereeing, and Timekeepers, directly from our website.
