REFUND POLICY ADOPTED: NOVEMBER 6, 2019

REGULAR REFUND POLICY

Refunds may be issued to players leaving IRHA during the season and will be based on a weekly proration. The IRHA Board will only consider refunds for the following reasons:

Serious medical condition, verified by a doctor, which would preclude the player from continuing or returning to the season (Season-ending injury prior to February 28) or family moving out of Marquette County.

All requests must be made by mail or email to the IRHA Board and will be subject to a \$30.00 processing fee. Raffle tickets are nonrefundable for any portion of the registration.

MID SEASON REFUND POLICY

A mid-season prorated refund may be given to a player in the event of extensive illness or injury with proper documentation by medical provider indicating date of illness/injury and approved return date. The Board will have discretion on a case by case basis in determination of refund. Refund will be given to the family member who registered the player. Request must be made in writing within 15 days of return to play.

DELAYED START REFUND POLICY

A player with a preseason injury causing player to start after the scheduled start of the season, may receive a prorated refund. Documentation including date of illness/injury and approved start date shall be provided by a medical professional. Registration and fundraising must still be completed on time.
